

Ezzy Group steps into Indian real estate market

Bangalore: With the investment of Rs5,000 crore planned in the next two years, Ezzy Group, an infrastructure and property management company announced its entry in the real estate market.

“Our objective is to offer something unique to the Indian realty market. We have set aside Rs 500 crore for our projects, both residential and commercial projects in the next two years,” Ezzy Group Chairman Shabbir Saifuddin Ezzy told reporters.
